
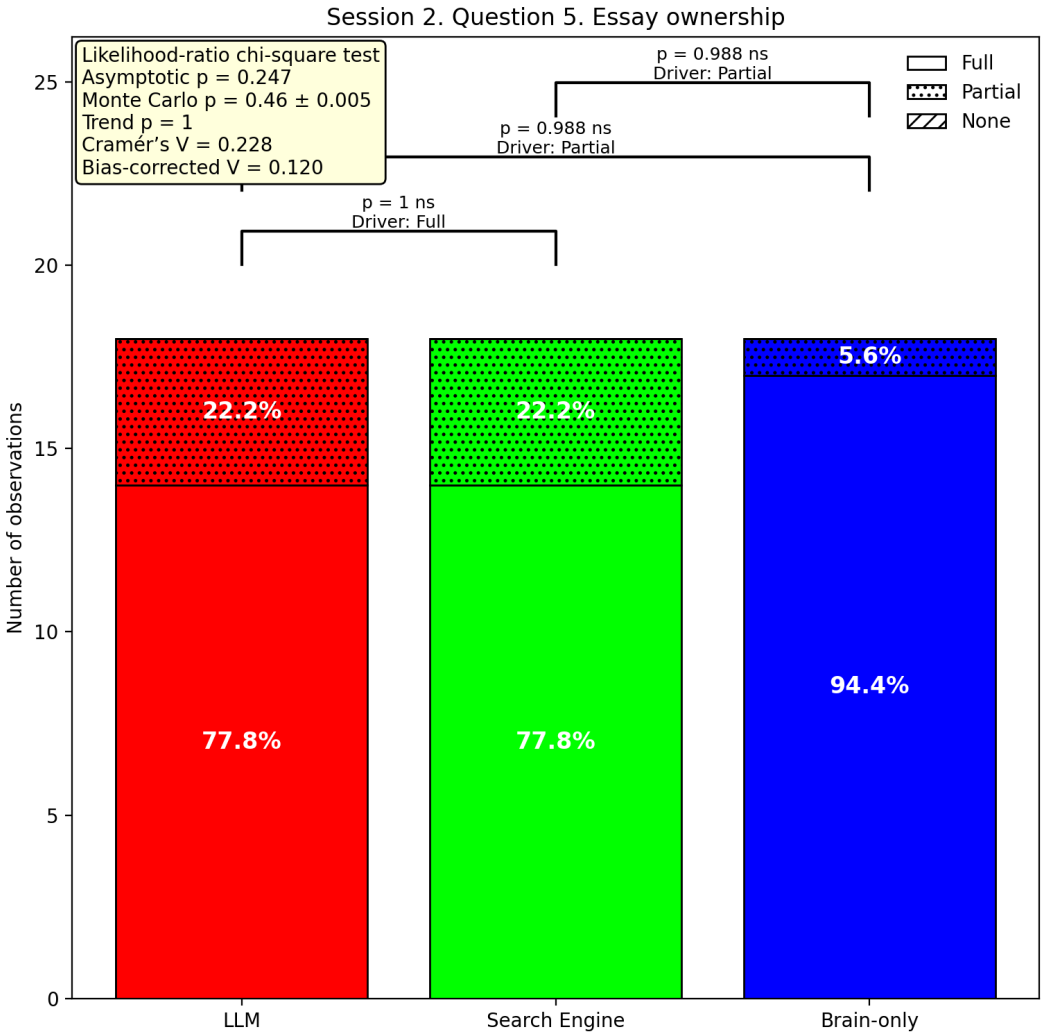

Figure 2.5. Number of participants within each group and their perceived ownership from their essays in Session 2.

Question 6. Satisfaction with the essay

Satisfaction was reported to be very similar for Sessions 1 and 2. The Search Engine group was satisfied fully with the essay (18/18), Groups 1 and 3 had nearly the same responses: LLM group had one partial satisfaction, with the remaining 17/18 participants reporting being satisfied. Brain-only group was mostly satisfied (17/18), with 1 participant being only partially satisfied (Figure 2.6).
